

NEW: EUROMAYENNE “TECHNOLOGY CLUB” PROPOSAL. INITIAL MEETING

I would like to form a new Club, within Euromayenne, dealing with all aspects of Technology, of interest to members. With this in mind, there will be a meeting on Tuesday 18th June 2013 starting at 2000, in the Refectory at La Visitation, Mayenne. The objects of the meeting are:

- 1. Assess interest in forming such a Club, and if so discuss the topics to be covered.**
- 2. Agree meeting times and places, with a view to having the first of monthly meetings in September 2013.**
- 3. Elect officials.**
- 4. Any other business.**

The clubs aims would include:

- a. Explore new technology from sources such as the Internet, Click (BBC), The Gadget Show (BBC) and others.**
- b. Discuss the above.**
- c. Implement any items above that may be of use/interest to members.**
- d. Assist members with IT problems (it is not intended to be a computer repair shop!!).**
- e. If found useful, form subgroups to deal with the following and other areas:**
 - 1. PC's/Laptops.**
 - 2. Tablet computers.**
 - 3. Apple products.**
 - 4. Skype/ Facetime (Apple equivalent) and other conferencing products.**
 - 5. Back up/data storage/ cloud computing.**
 - 6. Sat Nav equipment.**
 - 7. On line auction use and payment sites.**
 - 8. Website design/practice.**
 - 9. New software products.**
 - 10. Games?**
- f. The format would include discussions, demonstrations, workshops and specialist talks as requested by members.**
- g. Meetings should be on a monthly basis, unless otherwise needed, and if possible a venue selected where Internet/Wi-Fi is available.**

I hope that this Club will appeal to many Euromayenne members and look forward to your response and input in getting started. Interested members please contact: David Ebbage on [davepame@gmail](mailto:davepame@gmail.com) or 0243303495
