a) Car sharing all arranged!

I/we shall be coming to the start point with a car full and space for no more.

I/we shall be meeting our car sharers at the start point, to make one car full.

b) Please help with car sharing !

I/we would like to join another car **as passengers**, leaving our car at the start point.

I/we would like to be **drivers**, and can offer (number) seats.

I/we would like to join another car **as passengers or drivers**. No preference.

c) No car sharing, thank you

I/we would prefer to do the treasure hunt on our own, in our own car.

I/we would simply like to join the lunch, but not go on the treasure hunt. (Contact Liz to find out the venue).
